Florida Department of Health in Escambia County Announces COVID-19 Testing Dates for December in Pensacola

Contact:

Media Desk: PIO.CHD17@flhealth.gov

Pensacola, Fla. — The Florida Department of Health in Escambia County (FDOH-Escambia) is continuing specimen collection for COVID-19 offered to Florida residents. The primary focus is virus testing from swab samples to help identify those who are COVID positive and that need contact tracing. This effort is part of the continuing public health surveillance and monitoring for COVID-19 that is occurring across the state.

- What:** COVID-19 Testing Schedule*
- Where:** FDOH-Escambia Downtown Center, 1300 West Gregory Street, Pensacola, FL 32502. Use entrance on West Wright Street between North G Street and North H Street.**
- When:** Open 8:30 a.m. – 1:00 p.m. CST on the following dates:
- Monday, December 14
 - Thursday, December 17
- Closed on Tuesday, Wednesday, and Friday.
- Who:** All Florida residents with or without symptoms.
- How:** Drive-thru or walk-in, dependent on weather. No appointment needed. Bring your Florida driver's license. Only Florida residents will be tested. Cloth face coverings are required to enter the building for testing.

**Dates are subject to change due to inclement weather or shortage of supplies.*

***Location is subject to change. Please visit EscambiaHealth.com for up-to-date information.*

Sites for COVID-Testing in Escambia County

Persons who become sick should call, do not visit, their health care provider and tell them about their symptoms and travel history or exposure to a COVID-19 patient. Persons who do not have a health care provider or health insurance, may call (do not visit) Community Health Northwest Florida at 850-436-4630 or other community walk-in care locations, and tell them about their symptoms and travel history or exposure to a COVID-19 patient.

An [online assessment screening for COVID-19](#) is available to determine if further diagnostic testing is needed. The screening can also be accessed by texting "Screen" to 850-318-3080.

The screening is available 24 hours a day, seven days a week. You can also call the screening center at 850-434-4080 to determine if you need an appointment.

COVID-19 testing is available at several locations in Escambia County, including drive-thru and walk-up testing.

- **IMPORTANT:** Pre-screening may be required before arriving at testing centers by calling the local COVID-19 Screening Call Center at 850-746-2684.
- The screening call center is open Monday through Friday from 8 a.m. to 10 p.m. The call center staff will assist in helping find the testing center that best fits the needs of each person needing a COVID-19 test.
- The hours of operation for some testing centers for COVID-19 are 9 a.m. to 1 p.m. The call center staff will confirm the hours, as they vary by location and day of week.

Testing sites and eligibility criteria vary and are subject to change. For more detailed information on testing sites, visit Escambia County's dedicated COVID-19 [webpage](#) or call the Citizen Information Center at 850-471-6600.

For More Information on COVID-19

Visit the Florida Department of Health [COVID-19 webpage](#) for information on COVID-19. If you have questions, please call the Department's COVID-19 Call Centers available 24/7 at 1 (866) 779-6121 or email COVID-19@flhealth.gov.

The Department has launched Healthy Together, a mobile app that can help a person view their test results, assess their symptoms and learn what to do after they have been tested for COVID-19. The Healthy Together app is available for download on the Google Play Store or the Apple App Store. Individuals whose results are uploaded into Healthy Together with a phone number will automatically receive a text notifying them that their results are available in the app.
